Geographic Distribution KPI

(Chart: Total Amount by Manufacturer Payment State)

12. **Highest Payment Concentration:** Large U.S. states (visually dominant)

13. **Nationwide Coverage:** Payments distributed across most U.S. states

(Exact state values not labeled on map, KPI based strictly on visual intensity)

Specialty KPIs

(Chart: Total Amount by Specialty Main – Tree Map)

14. **Internal Medicine: \$408.01M (Highest)**

15. **Orthopaedic Surgery: \$357.61M**

16. **Psychiatry & Neurology: \$152.33M**

- 17. **Nurse Practitioner: \$127.37M**
- 18. **Surgery: \$57.13M**
- 19. **Dentistry: \$52.7M**

KPI Insight: Payments are concentrated in core and high-volume clinical specialties.

Recipient Type KPIs

(Chart: Amount by Recipient Type – Donut)

- 20. **Physician Payments: \$1.59B (88.93%)**
- 21. **Non-Physician Payments: \$0.20B (11.07%)**

KPI Insight: Nearly 90% of total payments go to physicians.

Nature of Payment KPIs

(Chart: Total Amount by Nature of Payment)

- 22. **Compensation for Services: \$0.47B (Highest)**
- 23. **Royalty / License Fees: \$0.38B**
- 24. **Food & Beverage: \$0.36B**
- 25. **Consulting Fees: \$0.28B**
- 26. **Travel & Lodging: \$0.14B**

- 27. **Education: \$0.05B**
- 28. **Honoraria: \$0.03B**
- 29. **Long-Term Medical Services: \$0.01B**
- 30. **Debt Forgiveness: \$0.01B**

KPI Insight: Payments are primarily **service- and royalty-driven**, not educational.

Physician & Non-Physician Dashboard – KPIs (Chart-Based Only)

KPI Cards (Top Center)

1. Total Covered Recipients
 - 13.74 Million
 2. Total Covered Recipient Payment
 - \$1.8 Billion
 3. Total Manufacturers
 - 1,058
-

Manufacturer by Specialty (Bar Chart – Top Left)

4. Top Specialties by Manufacturer Engagement (Recipient Count)
 - Immunology: 1.36M
 - Neuroscience: 1.00M
 - Diabetes: 0.80M
 - Oncology: 0.75M
 - Respiratory: 0.56M

KPI Insight: Manufacturer activity is **highest** in Immunology and Neuroscience.

Top 10 Manufacturers (Table – Top Right)

5. Highest Paying Manufacturer

- **AbbVie Inc. – ~\$117.4M**

6. Top 3 Manufacturers by Payment

- **AbbVie Inc.**
- **Stryker Corporation**
- **Medtronic, Inc.**

7. Total Payment by Top 10 Manufacturers

- **~\$655.6 Million**
-

Total Amount by Recipient State (Bar Chart – Bottom Left)

8. Top States by Payment Amount

- **California: \$216M**
- **Texas: \$153M**
- **Florida: \$143M**
- **New York: \$138M**

- **Illinois: \$77M**

KPI Insight: Payments are **heavily concentrated in large healthcare states.**

Top 10 Physicians (Table – Bottom Center)

9. Highest Paid Physician

- **Ivan Osorio – ~\$17.46M**

10. Total Payment to Top 10 Physicians

- **~\$100.05M**

KPI Insight: A small group of physicians receives a disproportionately high payment share.

Product Category Payments (Donut Chart – Bottom Right)

11. Top Product Categories by Payment

- **Immunology: \$128.99M**
- **Oncology: \$92.06M**
- **Neurology: \$66.1M**
- **Surgery: \$61.56M**
- **Neuroscience: \$54.1M**

KPI Insight: Payments are **dominated by specialty-driven therapeutic categories.**
